Mobile no.: +91: 9305082306

LinkedIn Id.: vaibhav-seth-1ba130245

B.Tech student specializing in Computer Science Engineering with a focus on Cognitive Computing. Possess a strong foundation in programming, algorithms, and machine learning, coupled with hands-on experience in developing intelligent systems. Skilled in problem-solving, data analysis, and software development, with a keen interest in leveraging cognitive technologies to create innovative solutions. Adept at working both independently and collaboratively in team environments, committed to continuous learning and professional development.

Academic Qualifications

Qualifications	Board / University	Percentage	Year
XII	C.B.S.E.	75%	2022
X	C.B.S.E.	88%	2020

Professional skills

- Programming Languages: Proficient in Python, C++, HTML, CSS and JavaScript
- Machine Learning: Experience with supervised and unsupervised learning, deep learning, and neural networks
- Data Analysis: Skilled in data preprocessing, data visualization, and statistical analysis using tools like Pandas, NumPy, and Matplotlib
- Cognitive Computing: Knowledgeable in natural language processing, computer vision, and cognitive system design
- Software Development: Strong understanding of software development lifecycle, agile methodologies, and version control (Git)
- Artificial Intelligence: Proficient in AI frameworks such as TensorFlow, Keras, and PyTorch
- Database Management: Experience with SQL, NoSQL databases, and data modeling
- Problem Solving: Excellent analytical and problem-solving skills, with a methodical approach to troubleshooting and debugging
- Research and Development: Ability to conduct research, develop prototypes, and present findings effectively
- Communication: Strong written and verbal communication skills, with experience in technical writing and presenting complex information
- Team Collaboration: Effective team player with experience in collaborative projects and leadership roles

Projects done

Project	Status/Organization
<ul style="list-style-type: none">• A Github Repository consisting of a HTML, CSS based “Portfolio”.	Completed in 2024
<ul style="list-style-type: none">• Prepared a project and report on “University-Academia”.	Completed in 2024 at SRM INSTITUTE OF SCIENCE AND TECHNOLOGY KATTANKULATHUR (Main campus).

Other relevant skills

- Proficient in Microsoft PowerPoint, Excel, and Word.
- Basic and advanced web development
- Proficient presentation and communication skills
- Linguistic Skills- English and Hindi (can speak, read and write both)

Other Relevant Details

Date Of Birth	02/08/2004
Present Address	Prayagraj, Uttar Pradesh, India
